

VISTA™

From Volkswagen and Allied Fleet

Vista™ from Volkswagen and Allied Fleet

Allied Fleet™
Driving for Perfection

Full Volkswagen seating throughout

Easy-clean, lowered floor

Innovative EasyFold™ ramp

Ramp folds flat when not in use

Space & Style

The Volkswagen VISTA™, available exclusively from Allied Fleet, combines a taste of luxury, superb style and first-class accessibility.

Based on the Volkswagen Caddy Maxi, VISTA™ is a versatile multi passenger vehicle which can accommodate driver, wheelchair passenger and up to four seated passengers. Spacious and stylish, VISTA™ is the perfect option if you're looking for extra room and exceptional quality.

The innovative EasyFold™ ramp is extra-wide yet light and easy to use. It also folds flat to the vehicle floor when not in use with a wheelchair passenger, creating bags of boot space. With original seating throughout and a choice of manual or automatic transmission, VISTA™ comes with the high specification you'd expect from Volkswagen.

Access & Safety

Accessibility is Vista's™ priority. The innovative EasyFold™ ramp is mechanically assisted to take the strain out of lowering and lifting. The specially lowered floor, which is anti-slip and a breeze to clean, ensures the access ramp has a low, easy gradient. Built with convenience in mind, Vista's™ rear seats can remain in place with a wheelchair passenger safely on-board, making access as quick and easy as possible.

Wheelchair users benefit from the extra security of high quality wheelchair restraints and a dedicated wheelchair passenger seat belt. Both are quick and easy to use. You also have the option of an easy-use electric winch to assist entry and exit. In addition, Vista™ holds the highest level of safety certification, European Community Whole Vehicle Type Approval and meets the UK standard for wheelchair accessible vehicles - PAS 2012.

Life Balance

Vista™ offers flexibility without compromising on space or style. Enjoy full original Volkswagen seating throughout together with plenty of room for a wheelchair passenger. When not in use by a wheelchair user, the clever ramp folds flat to give you bags of space for luggage or shopping. This means you can have a standard car one minute and a fully wheelchair accessible vehicle the next.

The latest Vista™ offers a host of reassuring features including rain sensors, cruise control and day time running lights. Easy to drive, the Volkswagen Vista™ is perfect for couples and families alike. Inside you can keep the ideal temperature with semi-automatic air conditioning as standard. In addition Volkswagen's BlueMotion technology uses regenerative braking and automatic Start-Stop to maximise fuel efficiency.

Key Benefits

Assist winch

Popular Vista™ features include:

- Bluetooth® connectivity
- DAB radio
- One-touch electric front windows
- Climatic semi-automatic air conditioning
- Metallic paint
- Storage shelf above windscreen
- Cruise control
- Reverse parking sensors

Wheelchair accessible features:

- Lowered floor for optimum accessibility
- EasyFold™ fold-flat ramp - requires minimum effort to use
- Rear seats remain in place with wheelchair passenger on-board
- High quality wheelchair restraint system, with higher-rated option for heavier wheelchairs/powerchairs
- Easy reach lap and diagonal seat belt
- Remote controlled electric assist winch
- Safety tested to the highest automotive safety standard - EC Whole Vehicle Type Approval
- Fully compliant with UK wheelchair accessible vehicle standard - PAS 2012

Help & Advice

Allied Fleet design and build high quality vehicles to meet diverse transport applications. With thousands of satisfied customers, our goal is finding the best solution to meet your particular needs. Based locally throughout the UK, our dedicated fleet consultants are there to provide you with a free, local demonstration of the vehicle(s) of your choice, wherever you live. As well as answering any questions about the car, they can advise on vehicle finance and guide you through paperwork, if appropriate.

Should you have any queries before or after ordering your wheelchair accessible vehicle, contact our fleet advisors at any time for expert advice and information. You'll also have access to our seven-day helpline and a nationwide network of Volkswagen dealers.

Customer Satisfaction

The car has made such a difference to our daily lives. The ramp is so easy to use and the fact it can fold flat is brilliant.

Lal and Sunita Parmar, West Midlands

I hadn't been using the old car as much because of the space issue. That's all changed now. Nothing compares to the Vista!

James Pye, Stoke-on-Trent

After seeing the Vista our minds were made up. It was definitely the one for us. There was plenty of room inside so it met with all of our demands. It was great!

Jackie Thomson, Devon
